Learner Journey

1 - Choose a Program

Whether you want to improve your skills, increase your chances of employment or further your professional qualifications Richmond College has a variety of distance learning programs to suit you...

2 - Register the Program

Our online Business Management, Engineering, Accounting, Hotel and Hospitality, and Computing programs will help you obtain a UK Diploma, which is recognized by employers and approved by OFQUAL, the UK Government Higher Education regulating body.

3 - Study the Program's Modules

When the online modules have been successfully completed, you will then be able to take the final written assignments provided by Richmond College that test your knowledge and understanding of the modules.

4 - Complete Online Multiple choice tests and written Assignments

The Multiple choice tests contains 30 multiple-choice questions. You will be asked to write between 2,000 – 8,000 words for each assignment. After successful completion of these assignments, you will receive your diploma from the OFQUAL awarding organization.

5 - Receive Your Certificate and University Credits

These Diploma's can then be used as progression onto completion of a full undergraduate or postgraduate degree courses, at an accredited UK or overseas university.

6 - Top up your qualification and Earn a BA Degree or MBA

Richmond College will help you to top up to the final year of University. Your Degree or MBA will be awarded to you by the University you complete your final year with. We currently partner with UK universities, who accept the OFQUAL credits awarded from studying our courses.
